

Australia-Croatia Workshop on Antimicrobial Peptides SPLIT AMP2010

MedILS, Split, Croatia, August 8 – 14, 2010

The workshop is an official summer school for the students in the international PhD programme in biophysics, with additional wider participation. The workshop is open to researchers and PhD students from other countries and has broad scope with respect to membrane-active peptides

CONFIRMED SPEAKERS:

Prof Mibel Aguilar (Australia)
Prof Vlasta Bonačić-Koutecky (Germany)
Prof David Craik (Australia)
Prof Renato Gennaro (Italy)
Prof Ante Graovac (Croatia)
Prof Davor Juretić (Croatia)
Prof Alan Mark (Australia)
Prof Lisandra Martin (Australia)
Prof Frances Separovic (Australia)
Dr David Smith (Croatia)
Prof Damir Vukičević (Croatia)
Prof John Wade (Australia)
Prof Irene Yarovsky (Australia)
Dr Bojan Žagrović (Austria)

Organizers:

Professor Davor Juretić

Physics Department, Faculty of Science,
University of Split, Nikole Tesle 12, 21000 Split, Croatia

Professor Frances Separovic

School of Chemistry, Bio21 Institute
University of Melbourne, VIC 3010, Australia

Deadlines : Pre-registration - April 30, 2010, Abstracts - June 10, 2010

Sponsored by: Biophysical Society of USA, European Biophysics Societies' Association, Australian Peptide Association, Australian Society for Biophysics, European Peptide Society, International Union for Pure and Applied Biophysics, The National Foundation for Science, Higher Education and Technological Development, Republic of Croatia, City of Split
