

Announcement: 3rd Austrian Peptide Symposium

December 5th 2013, Graz, Austria

Invited Speakers:

Liliane Schoofs (KU Leuven, Belgium): *t.b.a.*

Horst Kessler (Technical University of Munich, Germany): "Selective inhibitors for the integrins $\alpha v\beta 3$ and $\alpha 5\beta 1$ and their use in medicine"

Markus Muttenthaler (IRB Barcelona, Spain): "Selenocysteine-directed folding in venom peptide drug development"

Valentin Wittmann (Uni Konstanz, Germany): *t.b.a.*

Maja Köhn (EMBL Heidelberg, Germany): "Peptide probes for the investigation of phosphatase signaling"

Bernhard Auer (University of Innsbruck): "Efficient expression of peptides in *E. coli*"

Peter Macheroux (Technical University of Graz): "Peptide binding and cleavage by human dipeptidylpeptidase III"

Visit the symposium website for further details at:

<http://www.meduniwien.ac.at/pharmakologie/ms/AustrianPeptide.html>

During the symposium coffee, snacks, soft drinks and a light lunch will be provided. After the scientific session there will be social-gathering with food and drinks served.

Location: Institute of Organic Chemistry, TU Graz

Registration and Abstract submission are now open! Abstract deadline for oral presentations is the **1st of November 2013**.

For further information regarding registration, abstract submission and accommodation please visit :

<http://www.meduniwien.ac.at/pharmakologie/ms/AustrianPeptide.html>

Contact: Rolf Breinbauer breinbauer@tugraz.at, Christian Gruber christian.w.gruber@meduniwien.ac.at and Christian Becker christian.becker@univie.ac.at

The meeting is held under the auspices of the European Peptide Society.

We would like to thank our sponsors for this event:
